FEATURING **AlterG® Treadmill®**

The AlterG® Anti-Gravity Treadmill® enhances therapists' ability to help patients recover faster with its unique and patented unweighted rehabilitation technology.

- Allows patients to rehabilitate with less pain while reducing the risk of further injury, which may enable faster healing.
- Provides physical therapists a precise way to track progress, keeping patients engaged and motivated during rehab.

PROVIDING THE **HIGHEST QUALITY SERVICE** *All day. Every day.*

At Arbors at Carroll, your goal is our goal. Whether you are here for short-term rehabilitation, a complex medical issue or an extended stay, your journey towards recovery is our motivation.

Our dedicated staff operates with four basic principles in mind: to restore your health, improve your daily functioning, increase your independence, and provide you with the utmost comfort.

We strive to provide the highest quality of services all day, every day, as part of our commitment to Helping People Live Better.

DEDICATED TO YOUR CARE

We create an environment tailored to your complete wellness by incorporating the following in our daily routines:

- Helping you & your loved ones transition into our caring environment.
- Supporting and encouraging you every step along the way.
- Assessing your needs and abilities as you progress.
- Learning all about your individual lifestyle requirements.
- Creating a care plan catered to your specific desires & goals.

Restore Health

Improve Function

Increase Independence
